CORE MONTHLY WORKSHOP DESCRIPTION

Resume Workshop: Learn about different resume styles and how to select the most effective style for you. In this workshop you will learn how to develop a resume that gets the employers attention and captures their interest so that they will contact you for an interview!

Interview Skills - Convince the Employer to Hire YOU! : Learn how to effectively answer common and challenging interview questions and practice during a group and/or one-on-one mock interview!

Second Career Info Session: A comprehensive review of the Second Career program eligibility requirements and detailed step-by-step information regarding the application process.

PROFESSIONAL DEVELOPMENT WORKSHOP DESCRIPTIONS

Job Search Boot Camp: Attend our Boot Camp training sessions to strengthen your job search muscle. You will develop key strategies to "brush up" on your employability fitness and accelerate your job search - a must attend for those who need to STAND OUT in the highly competitive job search market! This Job Search Boot Camp is jam-packed with information that can give you the competitive edge. You will walk away with increased confidence and insider HR tips and tricks to help you land your ideal job!

1. Identifying and marketing your employment value/strengths
2. Job Search techniques and how to find your Dream Job
3. LinkedIn...the Power of Networking and your Online presence
4. Dressing for success
5. Behavioural-based interview questions and how to answer them like a rock star!
6. Post-interview etiquette: tips for following up

Personality Dimensions: "The Personality Dimensions Workshop will allow you to have a clearer understanding of yourself and an appreciation of others. It will also provide you with the valuable base for empowering communication with others. You can use it as a reference to help you put your PD learning into action at work, at home, with friends and in your community – in all aspects of your life."

Life/Essential Skills Workshop: Designed to assist clients with coping with job loss, the process of self repair and setting goals. The workshop is a six part series that tackles:

1. Managing Job Loss
2. Job Retention
3. Identifying Skills and Building Self Esteem
4. Conflict Resolution and Anger Management
5. Time Management and Goal Setting
6. Problem Solving and Decision Making

Workshops are available to everyone FREE of charge!

Space is limited: Please call 905.670.1967 or email erc@peelcareer.com to register!
